The Bank Negara Malaysia (BNM) Governor's Address is an annual flagship event organized by the Malaysian Economic Association (MEA) in conjunction with the release of BNM Annual Report 2022, Economic & Monetary Review 2022, & Financial Stability Review 2nd Half 2022. The event this year is organized in collaboration with BNM and Central Banking Research Centre (CBRC) of Asia Business School. The keynote address will be delivered by Assistant Governor for Economics, Mr Fraziali Ismail. His address will focus on the latest economic, monetary and financial developments in the Malaysian economy. Thereafter, a panel comprising experts in their respective fields will discuss the economic issues and challenges highlighted in the annual report and keynote address. This event should be of considerable interest to bankers, corporate leaders, managers, financial analysts, accountants and economists.
